### A message from our CEO

At Broadway Bank, community is more than just a value—it's the foundation of who we are and what we strive to be. We are inspired by the generosity and dedication of our Broadway Bankers, whose commitment to giving back has created a lasting impact across our Texas footprint.

Through our Care Corps employee volunteer program, which is focused on supporting education and social services, our bankers generously dedicated their time, energy and talents to create meaningful change. We expanded our support for impactful programs and partnerships, ensuring we continue to meet the needs of the communities we serve. Whether delivering meals to neighbors in need, mentoring the next generation of leaders or participating in community events, their efforts have made a difference in the lives of many.

Through Community Reinvestment Act initiatives, Broadway plays a crucial role in supporting programs that uplift low-to-moderate income communities, focusing on affordable housing, small business growth, economic development, scholarships and financial education.

These acts of service reflect the legacy of our founders, Col. Charles E. Cheever and Elizabeth "Betty" Cheever, who instilled in us a deep commitment to building stronger, more vibrant communities. Together, we are creating a brighter future—one act of service at a time.

Sincerely,

A handwritten signature in black ink that reads "David Bohne".
